(10 marks)
- b. What is the difference between a centralised organization and a decentralised organization?  
(2 marks)
- c. Delegation is the process through which a manager allocates work to subordinates. State the delegation process.  
(3 marks)

- d. Strategy formulation is a creation of a broad concept for defining and meeting an organization's goals. Strategy formulation involves three basic steps. Illustrate and discuss the steps.

(5 marks)

### QUESTION 3 [20 Marks]

- a. The "big five" personality traits can be viewed as continuums that run from high levels of the trait to low levels of the trait. Employees are sometimes tested in collaborative situations to determine what strong personality traits they can add to a group dynamic. Explain the "Big Five" personality traits that drive the employee behaviour.

(10 marks)

- b. Due to the economic slowdown, Sumityomo Mitsui Bank has decided to retrench 20% of its employees and not to award bonuses to all. The leader of the labour union met with the President of Sumityomo Mitsui to voice their dissatisfaction and to appeal for a small bonus or incentive. Should the bargaining process between the labour union and the management fail,

- i) what are the possible actions that can be taken by labour union?
- ii) what can the bank forcefully do to counter this negative outcome?

(10 marks)

### QUESTION 4 [20 Marks]

- a. In any business, external forces have a very strong impact on the marketing plans and strategies. So it is important for the business to recognise these factors that might affect its marketing programme. Explain the external factors that can affect the marketing environment.

(10 marks)

- b. Distribution plays an important role in marketing. Marketers always look into all possible networks to distribute their products so that consumers can easily get their products in the market. What are the **FOUR (4)** channels of distribution? Discuss any **TWO (2)** non-store retailing that can be used in distributing the products to the end users.

(10 marks)
